2017 Commitment Form

Teamwork

Compassion
Excellence

Welcome to another exciting year for the Marching Thunderhawks! Planning and preparations for the 2017 season are well underway and the mounting excitement for the direction of the band is incredible! Our show this year is being written for us **RIGHT NOW**, and we need to solidify our numbers so the visual and musical design team can complete our project by the start of our summer sessions.

Please understand the importance of this early commitment form and what it means for you as a participant and the marching band as a whole. Included with this commitment form is a non-refundable deposit of \$50 made payable to **Lakota East High School**. The deposit will be the first installment for the fall marching band fee.

Our success is the sum of our parts, and we won't attain success without all components in place. Our design team is composed of the most creative people in the marching band activity. The passion we have for what we produce starts now and we want everyone to be a part of the Thunderhawk tradition. Please look closely at the enclosed information sheet and make sure you have your calendar set for the season!

This form, along with your \$50 non-refundable deposit is due on or before Friday, February 24, 2017. This form makes you a member of the Marching Thunderhawks for the 2017 season. Failure to return this form by the due date indicates you will NOT be participating in our upcoming season.

Please keep the attached sheet for your reference and visit www.lakotaeastbands.org for the most current information about the upcoming season!
