Field Commanders and Color Guard Members

Although you will have your own fitting schedule and will not have fittings on this day, you will STILL need to come to Uniform Fitting Day and put on your uniforms for the photo button pictures

Rookies

You will also try on Marching Band Gloves, Shoes, and Hat. Please wear **SOCKS** for trying on the shoes. Prepare to pull back your hair for trying on the hat; bring hair accessories (headbands, hair ties/elastics, bobby pins, etc.) if needed.

Snares & Tenors

Please bring your harness to wear when trying on your Marching Band jacket to achieve the proper fit.

Parents

If you will be driving your band member, please wait in the Band Room. Uniform fittings take place in the Jazz Room where space is limited. You will see your band member in uniform for the photo button picture. Thank you in advance for your patience as volunteers provide instruction and attention to each band member to ensure the best fit for every person.
