

Lakota East Marching Thunderhawks

3rd Quarter Refreshments - 2017 Schedule

During the end of half-time of home football games, Marching Band members are treated to refreshments provided by Marching Band families following a set schedule. Refreshments are offered to all Marching Band members, even those from the opposing team, as well as the band members who will be joining the Marching Thunderhawks on Lakota East Band Night.

The Upbeat Club provides leadership to coordinate the setup, serving, and cleanup of these treats. *Please consider volunteering for one or more games by selecting an opening on the 2017 Marching Band Season Volunteers SignUpGenius (found on the website Home page).*

Each band member in every section is scheduled to take a turn bringing THREE DOZEN COOKIES. Cookie donations may be homemade or store-bought, but **avoid sending in cookies that are too chocolatey or otherwise messy** in order to protect the marching band uniforms. Please label anything homemade, and send it in a disposable package.

Donations need to be dropped off near the Uniform Room, behind the band trailer, by about 5:00 pm on the night of the game. If this is not possible, please make other arrangements for dropping off your donation, such as sending in with a band member on a rehearsal night or before school that Friday morning.

On behalf of every single Marching Thunderhawk---THANK YOU!!!! This special effort really makes their night!
