Support Lakota East Bands as a Corporate Sponsor

The Lakota East Band program serves the music education needs of over 500 band and guard students at Lakota East High School. The goal of Lakota East Bands is to develop a student's lifelong love of music and to expand the student's musical education through its Symphonic Winds, Symphonic Band, Concert Band, Jazz Ensembles, Marching Band, and Colorguard programs. These programs not only help to develop a student's musical interest, but they also help the student learn valuable life lessons such as teamwork, discipline, creativity, and a commitment to excellence.

Every time they take the field for competition, perform a concert, and march in a parade, Lakota East Bands proudly represent Liberty Township, West Chester, and the Lakota School District. Sponsoring the band program is a great way to support our students as well as our local community.
